M20 MEDIA

WEDDING FILMS

M20 MEDIA IS A GREENSBURG BASED WEDDING VIDEOGRAPHER AND DRONE PILOT SERVING ALL COUPLES IN WESTERN PENNSYLVANIA AND BEYOND

Mara Shields ● 814-201-7001 ● www.m20media.biz ● mara@m20media.biz

Wedding films are a way to relive your wedding day - from the parts you don't see to the parts you don't remember. Not only do you have the dreamy footage, you also have the crispy audio – your new favorite movie starring you, your friends, and your now blended families.

There is something special about a video of a moment versus a photo. A photograph captures the moment, the split second, the photographer hit the button. But a video of that same moment... not only can we capture things like you actually walking down the aisle, we also record audio from that moment too. You could see and hear everything from that one point in time, for the rest of your lives. Don't get me wrong, I love a good photograph, but if they say a picture is worth a thousand words, imagine how priceless a video will be.

My wedding videography collection starts at \$3,750 for full day coverage. The base package can be expanded to be custom to your ideal wedding film collection. Drone footage is included (*weather and airspace permitting*), and films are delivered on an online gallery - which you will have access to for 10 years, can share with friends & family, and view on smart TVs.

BASE PACKAGE

- NEW: CONTENT CREATOR (BTS)
- FEATURE FILM (20+ MINUTES)
- RECEPTION DOCUMENTARY FILM
- 48-HOUR SNEAK PEEK
- ADVENTURE SESSION
- REHERSAL DINNER COVERAGE + FILM
- SOCIAL MEDIA VIDEO CLIPS
